Dear Parents:

Tyrone Thompson Elementary School is pleased to announce an opportunity for preschool children within our community, ages three, four and five. Your child must turn three before the first day of the 2021-2022 school year. If your child turns five before September 30th, then your child is not eligible for the program and must enroll in kindergarten. This unique experience will provide preschool instruction for the children, while being included in a learning environment with students, aged three, four, and five with disabilities. This opportunity will enable your child to receive valuable, age-appropriate instruction, as well as, provide the students with disabilities age appropriate role models.

We are looking for children who have age appropriate language and behavior skills. The children must be toilet trained and must demonstrate that they can be away from home and their parents for a day without duress. Parents will be required to transport their child to and from school. Consistent attendance is mandatory, including staying the duration of the school session, except in the cases of illness.

The first day of school is Monday, August 9, 2021. There will be two different program opportunities. One program will be offered half day, Monday through Thursday from 8:00am-10:30am or 11:40am-2:11pm. There will be one teacher and one teaching assistant. The second program will be offered full day, Monday through Friday from 8:00am-2:11pm with one teacher and two teaching assistants. Once a month, there will be a family engagement activity where you will be invited to join your student in the classroom. It is our expectation that all families participate in our Family Days. Enrollment is limited in an attempt to maintain appropriate class size.

If you are interested in your child participating in this learning experience, please complete the Peer Application and Pre-K Skills Checklist as soon as possible. We will be contacting you via email for next steps in the process.
